

CAR (B) INTENSIVE DRIVER TRAINING COURSES

CUSTOMER INFORMATION SHEET

INITIAL ASSESSMENT/LESSON

All trainees are advised to have an initial driving assessment/lesson to gauge how much training time is required to reach the Driver and Vehicle Standards Agency (DVSA) test standard. Complete novices usually need 8 to 10 lessons, those with experience considerably less. Tests are usually booked after your 3rd lesson (we can do this for you). Every lesson lasts 4 hours and includes **collection and drop off**. You can choose either mornings 8.00am to noon or afternoons 12.30pm to 4.30pm.

INTENSIVE LESSONS

Every lesson lasts 4 hours and includes collection and drop off. You can choose either mornings 8.00am to 12.00pm or afternoons 12.30pm to 4.30pm. It is recommended that learners pass their theory test before starting the driving lessons as a driving test cannot be booked until the theory test has been passed.
