

# IPAF TRAINING

## CUSTOMER INFORMATION SHEET

This training is aimed at people who work at heights and use Mobile Elevating Work Platforms (MEWPs). Upon successful completion of the training an International Powered Access Federation (IPAF) PAL Card (Powered Access Licence) will be issued. A PAL card is recognised worldwide across industries as proof of platform operator training to the highest standard and IPAF is universally recognised as the premier awarding organisation for the Powered Access industry. Lancaster Training Services Ltd is a member of IPAF and a fully accredited training centre. If you are an employer you can be sure that legal requirements have been fulfilled if your platform operators have the PAL card.

## OBJECTIVES

At the end of the course the operator will:

- Be aware of the relevant Health and Safety regulations.
- Be aware of accident prevention and control.
- Be aware of the needs regarding personnel protection.
- Be aware of the need to refer to the machine Operating Manual.
- Drive the MEWP safely and manoeuvre the machine as required.
- Correctly position and carry out the required tasks in a correct and proper manner both inside and outside a building.

The PAL Card is valid for five years and shows:-

- The date on which the holder was assessed and the expiry date by which re-training would be needed.
- The types of equipment that the holder has been trained to operate.
- The level to which the holder has been trained, e.g. operator, demonstrator and instructor.

The card has security features including a holographic logo and the holder's photograph and signature to prevent mis-use.

## AIMS

To instruct an operator to prepare and safely operate MEWPs in order to obtain an IPAF PAL Operators Card.

We provide training for the MEWPs as shown below to suit all experience levels from novice to experienced, along with refreshers.
